

Bloomberg Law Quotes Ally Cunningham on PFAS Regulation

March 29, 2021

Lathrop GPM Partner Ally Cunningham discusses increased Environmental Protection Agency (EPA) regulations on PFAS, aka "forever chemicals," and the liabilities and lawsuits facing manufacturers. In the article "Industry Eyeing EPA's Hustle to Control 'Forever Chemicals'" in *Bloomberg Law*, Ally says, the firm has seen "more and more lawsuits against companies that have used PFAS in their production process."
