

Inside Higher Ed Quotes Kathryn Nash On Potential Title IX Changes

June 8, 2021

Kathryn Nash is quoted in *Inside Higher Ed* on the impact of current Title IX regulations on colleges and universities in the article "Thoughts From the Public on Title IX." June 7, 2021 marked the beginning of a five-day public hearing where the Department of Education will hear from 600 individuals on ways to improve Title IX enforcement. In regard to the live hearing and cross-examination requirement, Kathryn said, "The hearings have created additional burdens for the parties, witnesses and institutions, and they aren't necessary to ensure a fair process."
