

University Business Quotes Kathryn Nash on Live Hearing Requirement of Title IX

June 7, 2021

Kathryn Nash is quoted in the *University Business* article "Can Biden Administration Solve Title IX Controversies?" regarding current Title IX regulations and the Department of Education's five-day virtual hearing to review these regulations. Among the debated requirements in the regulations are the mandatory live hearings. Kathryn said the live hearings have had a chilling impact on reports of sexual violence and misconduct and aren't necessary to ensure fairness.
