

Law360 Quotes Dale Werts on Cryptocurrency

June 15, 2021

Partner Dale Werts was quoted in the *Law360* article "Access Issues May Hinder IRS Seizures of Cryptocurrency." (Subscription required.) In a discussion of how issues involving accessibility may limit the extent to which the IRS can seize and liquidate the cryptocurrency assets of noncompliant individuals, Dale states, "They probably won't chase everyone. They'll make examples of people and scare others into cooperating."
