

Law.com Quote Alison Zinn on High-Profile Conservatorship Cases

July 7, 2021

Alison Zinn spoke with Law.com about the high-profile nature of some conservatorships and the challenges of defending their clients' interests in the court of public opinion in the article "In Britney Spears Conservatorship, Loeb & Loeb and Holland & Knight Take Spotlight." As the proceedings of the case are likely confidential, Alison reminds that attorneys "can't really speak out in defense of the case with the information that would allow everyone else to see what's going on" even if "they know that what's being put out there is not representative of the full story."
