

Natural Products Insider Quotes Katie Bond on Recent Dismissal of FTC's Request for Monetary Relief in Lawsuit

October 19, 2021

Partner Katie Bond is quoted in the *Natural Products Insider* article, "Marketer of Brain Supplement Prevacen Catches Break in Court." The article details a federal court dismissal of the Federal Trade Commission's request for monetary relief in a lawsuit against Quincy Bioscience.

In the article, Katie says, "In many pending lawsuits, FTC's requests for monetary damages are being dropped in the wake of the Supreme Court's decision."
