

SupplyChainBrain Interviews Robyn Anderson on the Need for Supply Chain Disruption Insurance

January 24, 2022

Robyn Anderson spoke with Robert Bowman of *SupplyChainBrain* along with Rick Bridges of Lockton Companies on the need for business interruption insurance. In the interview, Robyn discusses how policies often require physical damage or property loss to trigger coverage and how recent events have companies increasingly seeking the protection of business-interruption insurance. Watch the interview [here](#).
