Cynthia Teel Writes Article for The Energy Dispatch on the Most Impactful Issues Facing Colorado's Energy Industry

December 1, 2018

Cynthia Teel wrote an article for the December 2018 issue of *The Energy Dispatch,* a publication put out by the Institute of Energy Law. The article focused on the rapid pace of change in environmental regulation in Colorado, and the most impactful issues facing the state's energy industry in 2019 and beyond.
