Texas Lawyer Article Highlights Lathrop Gage's New Dallas Office, Toxic and Mass Tort Team Expansion

January 17, 2019

Texas Lawyer published an article about the opening of Lathrop Gage's Dallas office and the addition of seven Toxic and Mass Tort lawyers. The article, "Midwest Firm Lathrop Gage Launches Dallas Office, Hiring Seven Litigators," provides insight on the firm's newest team members, four that are christening the new Dallas office and three that joined the firm's already established Los Angeles office.
