Tedrick Housh Featured in The Kansas City Business Journal's Table of Experts Minimizing the Threat of Cyber Attacks

September 27, 2019

The Kansas City Business Journal's Table of Experts issue featured Tedrick Housh. The Sept. 27 issue, "Table of Experts: Data Strategies to Minimize the Threat of Cyber Attacks," discussed how businesses can minimize their exposure to cyber threats and minimize data breach damage. "You want to imbue the culture with information about what the threats are and why it's important for people to adhere to cybersecurity prevention measures," Tedrick said.
