

St. Louis Small Business Monthly Readership Nominates Lathrop Gage for Best Law Firm in St. Louis

June 8, 2009

As part of the magazine's "Best in Business" series, *St. Louis Small Business Monthly* has published its list of the top law firms for the St. Louis metro area, featuring Lathrop Gage and other firms who "play a critical role in the success of area companies."

The publication asks readers to nominate leaders in various industries for the St. Louis metro area, and then one firm will be crowned as the winner during the Best in Business awards in October in St. Louis. The firm's Clayton and downtown St. Louis offices feature 27 attorneys, serving many privately held metro area companies, across a wide variety of industries.

The publication also included anonymous quotes from the review process with each nominated firm. "We've made smarter business choices and decisions thanks to the advice and counsel we've received from Lathrop Gage," one client said to the publication. "They are important to our growth."
