

Gray Plant Mooty Named One of the “Best Law Firms for Women” by Working Mother

July 25, 2017

MINNEAPOLIS (July 25, 2017) - The law firm of Gray Plant Mooty is pleased to announce that it has been named by *Working Mother* magazine as one of the 2017 "Best Law Firms for Women," in recognition of the firm's commitment to retaining and promoting women lawyers. The annual list recognizes 50 U.S. law firms for their policies in the advancement of women and for the implementation of work-life balance initiatives.

Meredith Bodgas, editor-in-chief of *Working Mother*, says, "The Best Law Firms for Women are not only setting the standard for the modern-day law firm in supporting flexible work arrangements and offering generous paid leave but also ensuring that lawyers who take advantage of these programs are not excluded from the partnership track."

The full list of the 2017 *Working Mother* Best Law Firms for Women is posted here with highlights on representation of women and women of color in key leadership roles, and usage and promotion rates for reduced-hour lawyers, among other key points. For the first time, *Working Mother* worked in collaboration with the *ABA Journal* as a knowledge partner.
