

Experienced Corporate Attorney Justin Vaughn Joins Lathrop Gage in Denver

June 12, 2018

DENVER (June 12, 2018) - Lathrop Gage is pleased to welcome Partner Justin Vaughn to the firm's Corporate practice in the Denver office.

Vaughn is a problem-solver who prides himself on his commitment to his clients and the legal profession as a whole. He represents business owners and executives on matters including business establishment, corporate contracts, partnerships, employee issues, mergers and acquisitions, succession planning, and business owner estate planning.

"We are fortunate to have Justin, a well-known and experienced attorney, join us," said Patrick McRorie, partner-in-charge of Lathrop Gage's Denver office. "His commitment to provide clients the best value possible, his integrity, and his community connections and profile make him a great addition to our Denver office."

Prior to joining Lathrop Gage, Vaughn had his own law firm, The Vaughn Law Office, for over 17 years. He is a frequent presenter to attorneys and business owners in the areas of mergers and acquisitions, business transactions, employment law and estate planning.

Actively involved in the Denver civic and non-profit community, Vaughn has been a Chamber of Commerce Volunteer of the Year, a Rotary President, and Philanthropist of the Year. He recently served as the Board Chair of the Highlands Ranch Chamber of Commerce and currently serves on the Board of Directors for Make-A-Wish Colorado.

Vaughn received his *juris doctor* from Arizona State University College of Law, 1994, and his B.S. in Justice Studies from Arizona State University in 1991.

About Lathrop Gage

Lathrop Gage is a law firm whose clients form the backbone of our economy. Our attorneys provide strategic guidance in litigation, business and intellectual property law, with deep knowledge and experience in the industries we serve. We work as one integrated team from offices across the country to help our clients see beyond immediate challenges to achieve their most important objectives. For more information,
