

Nonprofit & Tax-Exempt Organizations

Lathrop GPM's Nonprofit and Tax-Exempt Organizations team combines genuine appreciation for our clients' work with expertise in the highly specialized, complex and dynamic legal environment in which they operate.

Our attorneys take great pride in helping nonprofits achieve their goals, providing legal counsel to a broad array of organizations including:

- Colleges, universities and schools
- Community foundations
- Health care organizations
- Human services programs
- Political organizations
- Private foundations for individuals and corporations
- Start-up nonprofit organizations
- Social enterprise nonprofits

Complete Legal Support

Like all businesses, nonprofit and tax-exempt organizations have a full range of legal needs. Our team supports you with the comprehensive services you need to fulfill your mission, including:

- Administration of endowments and restricted funds
- Affiliations, joint ventures and mergers & acquisitions
- Charitable contribution solicitation
- Compliance with federal and state reporting requirements
