Experience

Proven Experience

Our team services clients nationwide with extremely varied needs and challenges. It encompasses complex bankruptcy and creditors' rights matters, as well as other disciplines in which we utilize the firm's experience.

- **Automobile Dealer:** Represented a major automobile dealer in purchasing a financially distressed auto dealership through a foreclosure sale under Article 9 of the U.C.C.
- **Bank:** Represented a bank in a Chapter 11 case regarding a hotel property, including negotiation of agreements for use of cash collateral and a plan of reorganization.
- **Creditors' Committees:** Represented creditors' committees in various Chapter 11 bankruptcies in either negotiating favorable terms for unsecured creditors or in converting the case when reorganization was not in the best interest of the unsecured creditors.
- **Equipment Supplier:** Represented a secured supplier of equipment to a major steel producer in a Chapter 11 bankruptcy. We asserted untested lien rights and a potentially flawed secured position, yet successfully negotiated a near total recovery.

- **Hotel Franchisor:** Represented a hotel franchisor in a Chapter 11 case of a franchisee with several hotels and helped recover all post-petition debts, a satisfactory return on unsecured debt, and new arrangements with purchasers.
- **Indenture Trustee:** Represented an indenture trustee in connection with three North Carolina assisted living projects whose bonds were in default. We assisted the trustee in creating a strategy to market the facilities and generate competitive bidding at auctions.
- **Lender:** Represented a lender in providing debtor-in-possession financing to a group of companies in Delaware Chapter 11 cases. Our client then acquired substantially all of its collateral by credit bidding at an auction of the collateral.
- **Manufacturer:** Represented a computer and electronic products manufacturer as a secured lender in a bankruptcy case in Virginia, pursuing recovery of magnetic resonance imaging (MRI) machines or payment of reasonable value.
- **Preference Defendants:** Represented numerous preference defendants in jurisdictions throughout the U.S. Cases have ranged from small amounts in disputes to multimillion-dollar actions. All cases have been either successfully settled or dismissed.
- **Receiver:** Represented a court-appointed receiver for nine entities whose investment programs defrauded investors and other creditors of more than \$60 million. We assisted the receiver in liquidating assets and distributing proceeds. We commenced fraudulent transfer and other litigation on behalf of the receiver in three states.
- **Receiver:** Represented court-appointed receiver in an SEC securities fraud enforcement action stemming from the Capital Enhancement Club, a Ponzi scheme that affected more than 1,500 investors in the United States, European Union and Australia. Recovered \$10.6 million from parties in the United States, Scotland, Latvia and St. Martin.
- **Restaurant Franchisor:** Represented a quick service restaurant franchisor in the Chapter 11 case of a multi-unit franchisee, including the sale of its units.
- **Service Contract Seller:** Represented the nation's largest retail seller of vehicle service contracts in Chapter 11 bankruptcy proceedings following charges from several states' attorneys general for aggressive marketing and violations of telemarketing rules. The proceedings involved issues related to employee benefits, tax and employment law. Litigation ensued against the two brother owners in the U.S. District Court for the Eastern District of Missouri to recover money they plundered from the company, having spent lavishly on luxury homes, cars, boats and travel.
