Christi Pribula brings significant experience in estate planning and probate and trust administration to clients within the firm's Private Client Services practice group. Christi's wide-ranging experience in estate planning, including more than a decade as legal counsel with the trust department of a publicly traded regional bank, provides the insights she uses to help clients achieve desired outcomes.

Prior to joining Lathrop GPM, Christi served as founder and managing attorney of a boutique estate planning practice serving clients in Kansas & Missouri. She also has experience counseling clients whose estate planning includes family members with special needs.

Dedicated to making a difference for Kansans, Christi ran in the November 2022 elections to represent District 27 at the Kansas House of Representatives.
