jacob.heck@lathropgpm.com

Jacob Heck is an associate attorney focusing his practice on business transactions. He supports clients on an array of corporate matters, working with clients of all sizes, from startup companies to multinational enterprises.

Prior to attending law school, Jacob served as a Project Manager and Engineer at a Minnesota-based construction company, where he was responsible for executing commercial contracts, managing multimillion-dollar projects and advising clients on the risks and benefits of different project strategies.

As a former St. Olaf College Men's hockey player, Jacob is a self-starting and creative leader who focuses on the details and developing lasting relationships. He believes curiosity and adaptability are choices and brings this approach to all matters.

In his free time, Jacob enjoys spending time with his wife, golfing, pickleball and traveling.
